

## HELPFUL HINTS & PARK INFORMATION

**Guest Services** Front Gate Guest Services can help you with anything from finding out what time your favourite show starts to purchasing tickets. The Guest Services location inside Front Gate also serves as a message centre, and lost children's area. Canada's Wonderland does not offer personalized public paging.

**Food & Beverage Options** Concession areas are located throughout Canada's Wonderland. Picnic baskets and coolers are welcome at the shelter located outside Canada's Wonderland on the north side of our Front Gate. Outside food and beverages are not allowed in the Park. Bottled water, baby food, and formula may be brought into the Park.

**ATMs** ATMs are located in the Park inside Mrs. Claus' Kitchen in Elf Village and inside Charlie Brown's Christmas Town Guest Services.

**Credit Cards and Currency** MasterCard, VISA, American Express, Interac Direct Payment and U.S. and Canadian Traveller's cheques are gladly accepted for admission and most purchases.

**Dress** Shirts and shoes must be worn in the Park at all times. Clothing with profanity, obscene gestures or statements, costumes or disguises to conceal identity are all prohibited in the Park.

**First Aid** The First Aid Centre, located in Elf Village, is staffed with trained personnel to assist with your medical needs. For immediate assistance, speak with the nearest Park Associate to have First Aid team members come to your location.

**Stroller, Locker & Wheelchair Rentals** Stroller, locker and wheelchair rentals are available inside the Park at the Front Gate, beside The Mistletoe. They are on a first come first serve basis.

**Parent Swap** This program is intended to help parents with small children. One parent waits in line and both get to ride separately. To participate in Parent Swap, please see a ride attendant or Guest Services for more details.

## RIDER HEIGHT REQUIREMENTS

Canada's Wonderland is committed to providing our guests with a safe and enjoyable day. Height requirements and specific rider instructions are posted at each attraction. Many of our rides have height requirements that allow a guest under that requirement to ride with a supervising companion. A supervising companion is someone who meets all the requirements to ride the ride themselves, is 14 years of age or older, and demonstrates appropriate observed behaviour. Supervising companions are responsible for ensuring that the guest remains seated properly where applicable and follows all rules and regulations.

### RIDE RATING SYSTEM

**1 Low Thrill Ride** Rides that are generally calm and gentle in nature.

**2 Mild Thrill Ride** Rides that generally have low speeds with gentle motion and braking. Rides have smooth transitions with some changes in elevation and speed.

**3 Moderate Thrill Ride** Rides that generally have low to medium speeds and/or heights with moderate motion and braking. Riders may encounter unexpected changes in direction and/or speed during portions of the ride.

**4 High Thrill Ride** Rides that generally have medium to high speeds and/or heights with moderate to rapid braking. Riders may encounter unexpected changes in speed, direction and/or elevation.

Failure to abide by all Park rules can result in ejection from the Park without refund and/or arrest/legal prosecution as dictated by law.

Park operating hours are subject to change without notice. Weather and lighting conditions permitting. Attractions subject to availability.

**Loose Articles on Ride** Please take care to secure all loose items before riding. Guests must accept risk for any unsecured items, as well as items left or placed on the platform. **FOR YOUR SAFETY, DO NOT ENTER UNAUTHORIZED AREAS TO RETRIEVE LOST ARTICLES.** You may be seriously injured if you enter an unauthorized area. Please report lost articles to a ride associate or at Lost & Found.

**Attraction Availability** Closed rides and attractions will be reopened as soon as possible.

**Line Jumping Policy** To ensure that all guests have a fair opportunity to enjoy a ride as quickly as possible, line jumping is not allowed at Canada's Wonderland. Line jumping, regardless of the reason, may lead to ejection from the Park. **NO REFUND WILL BE GIVEN.** Canada's Wonderland defines line jumping as 1. Cutting in front of guests who are already in line; or 2. Saving a place for someone; or 3. Leaving a line, then attempting to re-enter at the same point. Since this includes using the restroom or purchasing food or drink, we suggest you make all stops prior to entering a line.

**Guests with Disabilities** Guests with disabilities should visit Guest Services at the Front Gate of the Park to pick up a Guest Assistance Guide. This Guide explains the entry guidelines and procedures, and provides specific riding criteria related to each attraction. Boarding passes may be required for specific mobility issues. For more information about Boarding Passes, please visit Guest Services.

**Re-entering the Park** Guests wishing to leave the park and return at a later time should speak with an associate at the Front Gate.

**No Smoking Policy** For the comfort of our guests, smoking of any kind, including vapour and e-cigarettes, is not permitted in the park.

Cannabis is not allowed on any part of Park property including the parking lot.
